High Seas Expedition: Mission Accomplished

What an amazing week we had at VBS last week! With over 200 children registered and 50 plus workers, we had a houseful every day. And with at least six decisions for Christ made, it was truly a fruitful time for the Kingdom. Thanks to all who worked so hard to make it such an incredible week. Thanks to everyone who made Family Night a great success (we even had a nice breeze and a rainbow!) And special thanks to our directors, Deanne and Trey Shultz, whose hard work paid off in a big way. God is so

good - I can't wait until next year!

Mission Trip leaves Sunday

Our Mission Team will leave early Sunday morning and head to Progreso in the Rio Grande Valley. We will be doing construction work on two homes there (adding a bathroom and a living area), a VBS every morning, and some painting projects. Along the way we will have numerous opportunities to share the love of Christ to many people and serve a community in tremendous need. We will truly be ministering to Jesus as we minister to the "least of these," and we covet your prayers each day. We'll be working Monday - Thursday and returning on Friday, July 30. The Deacons will be leading a prayer time at 6 p.m. Sunday night in E-115 for our trip (Church Conference will follow).

The Mission Team will be giving a report of the trip in the Sanctuary on Sunday night, August 1. I am so thrilled to be a part of a church that values missions through giving and going!

Blessings! Craig

Dear Brothers and sisters in Christ,

My family and I thank you for all the prayers and sympathy cards. It is so reassuring that I have a church family like Manchaca. I know my sister is now in Heaven and we will all meet again some day. What a glorious day that will be!
Bill Summers

A church member who has received assistance financially and from the JOY food pantry sends the following: Thanks so much for your loving gifts given my family and me. May God bless all of you for helping others in their time of need.

We so much appreciate your generosity in hosting the wonderful farewell reception and blessing us with the love offering. You will always have a special place in our hearts. The Kevin Allen family

From the Hill....

Special thanks are due Trey and Deanne Shultz and the AMAZING job they did leading the charge at this year's Vacation Bible School. Six kids gave their lives to Christ, the decorations were incredible, the staff did a phenomenal job, the family night was huge and the kids had a great time. The Shultzes have been at it since January and I believe that God honored their hard work!

Speaking of kids coming to Christ – I will meet with kids about salvation and baptism, hopefully with their parents, on August 1 after the Mission Trip. Pray that kids are drawn to that time and that families needing a church home will plant down here with us.

To my much-loved MBC LADIES:

I hope this summer is finding you blessed and *glowing* in the Lord. The heat of our summer sun on my skin makes me think of the warm radiance of God and what it must be like to be physically in His presence! I'd like to take just a moment to fill you in on some things going on in our **Ladies' Ministry**.

First of all, our Ministry now has an email address. (mbc.ladies@yahoo.com) We would love for you to send in prayer requests, encouragement, ideas/suggestions for our Ladies' Ministry council, and/or any questions you may have for our Council!

Secondly, we have started a blog to help our MBC gals catch up with all that is going on. We will post upcoming events and pictures/details of events gone by! My hope is that you'll check the blog often, and make it one of your favorite websites (mbcladies.blogspot.com). There are already a couple posts up on the blog, so please head on over there now!

I know the announcements can fly by on Sundays and it's hard to catch all the pertinent details for upcoming events. With our blog and the email for any questions you may have, my hope is you'll be up to date on all there is to see and do with your sisters at MBC! I love you all... God is so good! MBC is a huge part of my life, and I'm blessed to be able to serve my sisters there. See you on the blog soon!
